LOCAL NEWS.

The Weather Probabilities, Mar. 16 1882 .stiddle Atlantic States light snow or or the coast, followed by fair weather, set to southwest winds, rising followed Training barometer and a slight rise in temper-

FATALLY INJURED .- Yesterday evening abini half-past five o'clock, a colored boy, 12 yests of age, named E iwin Morrison Drayton, an of E. H. Drayton, an ex-ponsiable, was run feels, by the couth bound train over the Alexandria and Fredericksburg Railway, and ir jur. d in a most horrible manner. Some say to conduc or was comicg, jumping from the rain, bu the boy said he was walking around he pile of bricks in the street at that polit, when the train struck bim. No ne sew the accident, or knew anything total 662. about it used the streams of the boy was heard, auracing to his relief several men starding pear by. When the bry were picked up it was found that the cars bad passed over and our and mashed both his legs nearly off just balow the knocs, besides tearing the flash from the bose of one of his timbs between the thigh and know. The mangled boy, still living and ials or, was curied to the home of his percuts on Payatte street, batween Prince and Dake, Smi h visited him and pronounced M. Ford, in response to a telegram from the failford cificials, came to this city from Westregion, and after making an examination of the boy's injuries, declared that nothing could be done for mm, as death was certain. The died this morning at s. ven o'c'ook.

GENERAL STRIKE OF MINERS .- The miners the Camperland cost region, 2,800 in nurher have good on a general strike for higher The mines have been deserted, and the prospects are that the opening of the coal trade well be considerably delayed this season. Ab a egity cital bisis ore lying at Cumberland ead d with coal, and the closing of the more his created considerable consternation am ng the boatman. The people of the Cuabereal region, instuding the miners, heve been a ex ra supplies of coal the past three rain anticipation of the etrike. Trains on Carb riend and Pannsylvania and George's conroade, with the examption of passenr, have been withdrawn, chrowing 200 men cyment. The reply of the Knights the coal compari s is not yet condispatch from Frostburg says: "10 dos good anthority that the comdetermined not to put their mines der soy compromise other than 50 ton and a complete sarrender of all naw being exercised over their party by the Knights of Labor. They admoleyers they have 80 per cost, of igent and reliable mer, whom they and to part wi h, and they will give buy every opportunity to control the meers y, and should they tail to do so within areas nable time, it will not be a surprise to

EMBLEON IN THE COUNTY .- The fact that here are new a number of small pox cases in Fredman's Village, Alexandris county, has sattered necessary some concert of action between the Washington and county authorities. ere ally as the disease was imported into the pants of the reo n-Richmond Dispatch. Comp y from the first named city. Mr. Benja-min Austin, Clerk of the County Court, as rep-mentative of Alexandria county Board of Suervisors, tala conference with Health Officer lownsend, in Wissington, yesterday of ernoon, stanich it was spread that both the District and the Alexandria county authorities should co-operate in the isolation of smallpox cases. At the request of the supervio s, Dr. Mead, of the hesith effice, will visit the smallpor cases, of which there are five at Fraedman's Vilage in Aring on Uistrict, and report thereon. A ilan by wai hithe transfer of smallpax cases from the Virginia to the District side of the river, or versa, can be prevented will be put into operation immediately.

SUPERINTENDENT OF ECHOOLS -Wm. F. Carne, and . has been nominated by the State Board of Linestian, subject to confirmation by the Sessie, for Superintendent of Public Schools of this clay, vice his bruther, Prot. Roberd I. Carne, whose term will expire with the present session of the schools. Prof. Rot. and I. Carao has for the past two ve years filled with credit to himself and satisfaction to the community the position of Superintendent of Schools of this city or since their organization, and his retirement will be generally regretted. Mr Wm F Carne has sies been conneced with the tublic reboo's for some years as a member of the City School Board, and is familhe with the system. He is thoroughly competent for the position, and the appointment is licket upon as a good one.

A literary organization to be known as the Istomac Debiting Society, has been organized by the election of the fellowing officers: Pres dect, L L-wis; Secretary, A. Miller; Assistant Secretary, D. McCormick ; Treasurer, F. Suter. On the occasion of the last visit of Bishop Whittle to the Theological Seni sary, near this city, he ordained to the priesthood Rev. Curtis

street, in one of the row of houses known as the "Six Buildings," was presented alonday morning, with a chuple of fine brys. The event has thrown the neighbors into quite a flutter, but the lucky father is 'just as happy as a big sunflower." flower."

George Edwards, the boy errested in this city Tuesday by (flier James; mith on a dispatch from Lynchburg, and lodged in the station bouse, was turned over to his father, who arrived here yesterday morning. The boy had robbed his father of \$40 all of which he had appear when arrested train \$450. He had spont when arrested, except \$4.50. He had supplied himself with a new sui; of clothes and other artices preparatory to starting West.

A NOVEL SURGICAL JOB - A delicate and novel operation was performed at the hospital recently on John Farrell. Eleven jeurs ago Farrell, who came to Troy from Omaha, swallowed two false teeth and the ruth r plate at tsehed. A number of attempts have since been made to force the plate into the abdcmen. These operations were unsuce seful, but served to ledge the substacce into the lower part of the tule'. Aside from the suffering, Farrell has for a long time been unable to partake of other than Equid tood. The operation for the removal of the plate consisted in making an iccision in the neck behind the car, any are spates of in praise by the disace ing the windsipe by an opening of about Hichmond Dispatch, speaking of three icohes, and another in the gullet. The the "Mej sile." to that city, says: patient was administered a narottis befere the visited and loves than the one assembled at the supportful. The plate was removed with the

DEATH BY SUFFOCATION. - Last night Jesse for in the very large andience it was noticeable Baker's wife raised a fire in a charcoal-lurance that there was a multitude of bald heads and a line her room on Brook at your pear the city in her room, on Brook ivenus near the city. Some time if crwards the sound of an ucusual noise, resembling the fall of a body, attracted the attention of some one passing, and the door was forced open. The wamen was found lying this extincting here present more that could be the flor is an almost lifeless condition beginning."

On the flor is an almost lifeless condition beginning. succeeded in bringing the weman and one child back to e colouspes. Two other children, aged respicively three and five years, were found to be diad, having been completely asphyxiated by the fumes of the charcoal. The mother and three children were the only occu-

> A Dog COMMITS SUICIDE. - Six months ago Mr. John Bunger, a switch man on the Central Railroad, died. A fine English setter which belonged to him was present d to a gentleman in this city by his widew in consideration of his kindness and attention to the family. A few days tion the gentlemen stipped the dog to 81 Central Railroad, to the c re of a friend there. The day stier his strival the dog managed to get locss from his kennel, walked deliberately and killed, thus committing saicide from grief. Savanah News.

> council of the Bank of Brussels was many years ago seized with the conviction that his legs were of glass and positively refused to move. A financial crisis came, involving, to some extent, the bank. Mr. B. got up and went to Brussels, where by his energy and skill, he largely assisted in getting matters straight. At the end of a month he returned home, remarked how mar' velous it was that he had not smarhed even one of his legs, and taking to his bid once more,

> meeting of the Democratic Congressional Cam paign Committee yesterday, General Rosecrans was elected chairman of the committee of thir 1- ne, and also, by a unanimous vote, chairman of the executive committee. Repr. sentstive Flower, of New York, was also selected as a member of the executive committee, and the two together were authorized to name the other five members.
